

A Tradition of Excellence

Season's Greetings:
All the best for 2012!

Dear Storm Members,

I hope you are looking forward to the holidays and the short break in training. As a club, we are approaching one of the most significant years in Pacific Storm's storied history. We begin with the inaugural NDPL season starting in January. Then, our membership is graciously hosting the Hungarian Girls club team Honved from Budapest during the BC OPEN. The Evergreen Tournament that we started will enter into its third year. Later in the spring and for the first time we will be hosting two National Club Championships in one year; 18U Women's and 16U Boys. And this summer we are assisting Canada's Men's National Team to train with the Olympic Champion Hungarian National Team. All of these events take us one step closer to Pacific Storm's vision of being *recognized as a world-class water polo club respected by all*. This vision can only be fully realized with the continued support of all of our members.

On behalf of the Pacific Storm Executive, the coaches and all of its many volunteers, we wish you all the best for the Holiday Season and for the New Year.

Sincerely,
