

THE 2011 NCAA HIGH PERFORMANCE WATER POLO CAMP FOR GIRLS

Canada Games Aquatic Centre,
Kamloops, British Columbia,
August 17-19, 2011

Attention: High Performance Girls:

We have changed the date of the NCAA Performance Camp. As a result of the recently announced dates for BCWPA Provincial team camps, WPC National Centralization camps and international tournaments, we have rescheduled for **August 17th to 19th, 2011**. This will allow you to participate in the provincial and national team programs, and still have the opportunity to be observed and trained by NCAA Coaches **Barry King**, Head Coach of Indiana University and **Carl Slayer**, Head Coach of Maryland State.

The 2011 NCAA High Performance Camp is designed to give aspiring players insight into how to obtain NCAA University **Scholarships** and receive outstanding water-polo **coaching** by top ranked NCAA coaches. Please review the attached brochure and fill out the registration form as soon as you can. The early bird registration has been extended to **June 25th**, but all spots are limited and will fill up fast on a first come first serve basis.

See you in Kamloops!
